Liability for content

The content of this web site has been compiled with great care. However, Independent Research does not warrant the correctness, completeness and up-to-dateness of the content. As a service provider, pursuant to section 7 paragraph 1 TMG (German Telemedia Act), we are responsible for the content of these pages under general legislation. Pursuant to sections 8 to 10 TMG, we are not, however, obliged as a service provider to monitor information from third parties that is transferred to us or stored by us or to investigate circumstances that indicate illegal activity. Obligations to remove or prevent the use of information under general legislation remain unaffected by this. However, any liability in this respect can only be assumed from the point in time at which an infringement of the law becomes known to us. As soon as we become aware of such infringement, we will remove the content in question.

Liability for links

This web site contains links to other web sites which are not under our control and are not maintained by us. We accept no responsibility for the content of those web sites. This content is the sole responsibility of the owners or operators of the linked web sites. At the time of linking these websites, the linked websites were checked with regard to possible infringements. At the time of linking such infringements were not observed. However, permanent control of the contents of the linked web sites is not reasonable without concrete evidence of an infringement. We will immediately remove the respective links if we become aware of any infringement.
