

For many years, making contact between companies with attractive equity stories and investors has been part of our business model. We have been organising investor conferences for institutional investors for ten years already. If you, as a company or investor, are interested, please feel free to contact us.

**For enquiries please contact:**

Independent Research GmbH  
Pierre Drach  
Managing Partner  
Taunusanlage 9-10  
60329 Frankfurt  
Germany
